COVID-19 Reports

— Last Updated 2020-05-20 03:53:14.471609

All tables and visualizations* are made possible with data generously provided by theThe COVID Tracking Project. All data is published under a Creative Commons CC BY-NC-4.0 license. Please note that the Data API uses multiple sources in its data collection for each state. Each state has its own set of caveats, and they can be found here.

*Data for individual Kentucky counties was not available via the Data API and was manually curated.

Total US Confirmed Cases	1520778
Total US Deaths	86070
Total US Recovered	289392

Southeastern Conference

Information below encompasses the eleven states within the NCAA's Southeastern Conference.
